PROFILE

I'm a dedicated UX/UI Designer with a flair for transforming ideas into visually stunning and user-friendly digital experiences. With 2 years of experience in the field, I've had the privilege of collaborating with diverse teams and clients to craft intuitive and engaging interfaces that leave a lasting impression. I strongly believe passion brings possibilities to life.

WORK EXPERIENCE

UI/UX Designer | 2022 - Present

- Collaborated with the design team to create wireframes, mockups, and prototypes for web and mobile applications.
- Conducted user research, including surveys and interviews, to inform design decisions and improve user experiences.
- Assisted in usability testing and analyzed user feedback to iterate and enhance designs.
- Worked closely with developers to ensure designs were implemented accurately and met usability standards.

Maruti Suzuki | 2019 - 2021

- Analyzed consumer usage patterns to identify trends and targetkey demographics.
- Built relationships with customers and community to promote long term business growth.
